

## PRESSE RELEASE

Nufringen, May 16, 2025

### **EcoVadis: Ensinger receives Silver Medal for sustainability**

Ensinger GmbH has been awarded the EcoVadis Silver Medal in recognition of its achievements in the area of sustainable corporate social responsibility (CSR) at its Nufringen site.

EcoVadis is one of the world's leading sustainability rating providers, having already analyzed over 150,000 companies to date. The rating reflects the quality of a corporate sustainability management. With the result achieved, Ensinger is now among the top 15 per cent of the companies assessed worldwide.

The silver medal recognises Ensinger's ongoing commitment to reducing its environmental impact. Furthermore, the EcoVadis rating confirms the company's high ethical standards, the guarantee of fair working conditions, and promoting sustainable procurement throughout its entire value chain.

More Information: <https://www.ensingerplastics.com/en/sustainability>

The **Ensinger Group** is engaged in the development, manufacture and sale of compounds, semi-finished materials, composites, technical parts and profiles made of engineering and high-performance plastics. To process the thermoplastic polymers, Ensinger uses a wide range of production techniques, such as extrusion, machining, injection moulding, casting, sintering and pressing. With more than 2,500 employees at over 30 locations, the family-owned enterprise is represented worldwide in all major industrial regions with manufacturing facilities or sales offices.
